

Law Enforcement Torch Run[®]

Global Strategic Plan

2024-2027

OUR MISSION

The mission of the Law Enforcement Torch Run[®] for Special Olympics is to increase public awareness and generate resources for the Special Olympics movement worldwide.

OUR VISION

To further the Special Olympics mission, law enforcement will carry the torch, representing the Flame of Hope, and dedicate itself to the goals of continually increasing both awareness and generating resources for Special Olympics athletes worldwide.

OUR PURPOSE

The Law Enforcement Torch Run International Executive Council is authorized by Special Olympics, Inc. (SOI) and is endorsed by our founding law enforcement organization – the International Association of Chiefs of Police (IACP) – for the purpose of encouraging, promoting, supporting and providing technical guidance to Special Olympics Programs and Torch Run volunteers in planning and coordinating Torch Run events and activities worldwide, facilitating the expansion of existing Torch Run activities and programs, and planning for the development of new Torch Run initiatives and events. Special Olympics changes attitudes and behaviors through sport. This is accomplished by showcasing the gifts and talents of people with ID, creating friendships and demonstrating the best of the human spirit. The Special Olympics vision is an inclusive world for all, driven by the power of sports, through which people with intellectual disabilities live active, healthy and fulfilling lives.

DIVERSITY, EQUITY & INCLUSION

We join with Special Olympics International in recognizing that diversity, equity and inclusion are at the heart of Special Olympics and the Law Enforcement Torch Run as we strive to promote unity among all people.
